

The VFW Post 2669 Donor Recognition Project

This project is for the purpose of soliciting donations to help us acquire a new Clubhouse.

In order to better serve our Veterans, our community and our membership we must have a better facility to work in.

In recognition of your donations we are building handsome display boards that will forever display engraved brass plates ordered by the donors.

(at the expense of the fund)

For the first \$50 donated you order a black plate.

An additional \$200 gets a blue plate.

Add \$250 and you get a red plate

Next \$250 gets a green plate

Next \$250 gets a gold plate.

If you donate \$500 right off you order the black, blue & red plates.

For \$1000 you order all 5 plates.

The plates are brass measuring 2" x 6"

You can put 4 rows with 32 letters in each row.

The choice is yours but should be appropriate for the occasion.

Wording will be auto centered when engraved.

This project will be open to show all who helped to provide the new clubhouse until that clubhouse is paid for.
